

La Costa Music Studio

February 2007

Practice Competition

Our annual practice competition began the week of January 22nd. Practice goals should be established with all students. These goals are the amount of practice time that can be accomplished in a week. Please help students meet their goals at home!

Bach Festival

The Music Teachers' Association is sponsoring a Bach Festival on February 10th at the Army Navy Academy in Carlsbad. Come and check out a recital (starting at 8:30 a.m.) or the evening concert at 7:00 p.m. with special performer Kristina Jacinth.

Practice Tips!

Please look on the website for practice tips from parents and students by the middle of February. We will also have tips from teachers.

Studio Dates

Please check the website on calendar for 2007 dates through the end of June.

Saturday Practice for Guitar Students

Where are all the guitar students? Check the dates for Saturday practices, and join us for extra help on your guitar!

*******Group Guitar Class*******

There are two openings left in our group guitar class scheduled to begin in February on Wednesdays from 3:00-4:00 p.m. This 12-wk. class is ideal for the student ages 7 -10. Please call right away if you are interested in this class!

Certificate of Merit

C.M. classes will be on February 10th and February 24th this month. Students should be practicing their assigned pieces and working on their theory books. The theory test will be held on Saturday, March 3rd. We will be letting you know what your time slot for that test will be. The special C.M. recital will take place on March 10th at the NAMM Building in Carlsbad. There will be two recitals. Please look at the next page of students and their scheduled recital time. Let us know ASAP if you have any conflicts.

Spring Break

Please note that the studio will be closed April 9-14 for Spring Break.

June Recital Pieces

The June recitals are scheduled for June 16th, and June 23rd. Sometime in the next few weeks teachers will be assigning special recital pieces. These pieces are generally more challenging for students, and will require more practice time.
