This amazing piano lists for \$10,995.00, and we are offering it to La Costa Music Students for only \$8,995.00!! Check it out!

Band Program

We are excited to be offering a new band program this fall on Fridays at the studio. Sean Salehi, who is the band director of the middle schools in Encinitas will be heading up this program. We will be offering private lessons in flute, clarinet, saxophone, trumpet, trombone, and percussion. We will also be organizing ensembles (small groups), and group classes for beginners.

- ◇ **Group Lessons**- are on Fridays from 3:30 – 4:30. These 12-wk. sessions will teach kids who are new to band. They will get to know their instrument, and all the basics of playing in a band! Groups offered are for flute, clarinet, saxophone, brass and percussion.
- ◇ **Private Lessons**- are also on Fridays, from 4:30-7:00 p.m. Sign up for these if your student is in intermediate or advanced band, or not in a band but learning to play the instrument.

Call the studio to register for these new classes, or go to our website for more information or to download a registration form. Remember we also **RENT** high-quality band instruments, and carry all the accessories and books you need for band!

GROUP GUITAR & DRUM

We have two guitar classes starting in September. One is on Wednesdays, from 3:00-4:00 p.m. starting September 19th, and the other one is on Fridays, 3:00-4:00 p.m. starting Sept. 21st. These guitar classes are recommended for ages 7, 8, 9, & 10 and a great way to find out if your student would like to get serious about guitar lessons! Our **DRUM** Class will be on Thursdays, 3:00-4:00 p.m. starting September 20th. This class is also geared toward the age 7, 8, 9, & 10 year old who is interested in learning how to play the drums. The annual registration fee is \$45.00 and will be added to your tuition payment plan in September.

The Schedule

Please let us know as soon as possible if your student has any schedule conflicts. The studio is filling up rapidly, and we won't have as much flexibility later! Thanks for filling out all of the paperwork for 2007/2008!

Your Account

Remember that all students have an account at La Costa Music where we keep track of any new music they have received, or accessory items they have purchased. This account is for your convenience, and will not be billed until January 2008. You can check it at any time.
